The message was given by general superintendent of the NPA, Lt. Gen. Khehla Sitole, in a video posted on social media on Tuesday. "Police are committed to a non-partisan policing model to the benefit of all citizens of South Africa. This means that police services to the public are available and equitably accessible to all," he said. "Unfortunately, these citizen-centric policing principles do not always translate into law enforcement activities." In his speech, Sitole said that
