

Jul Jan 31, 2020 - Flashback consists of three separate sci-fi stories. . Katsuhiro Otomo, director of Akira, is co-directing with two others. Two of them are debutants with high hopes. One, Masatoshi Nakamura is an anime writer. The other, Takuya Takemichi, is the director of the film, who previously worked with Otomo. "Memories" will be presented in the form of three different films. The first tells the story of a man who worked in Japan in the mid-20th century. In the second film, the hero returns to the past, at the height of the Cold War. The third film follows the hero's journey to Los Angeles to visit his daughter, who has become an actress.
