• The game will be released worldwide, with support for English, French, German, Spanish, Italian, Russian, and Japanese languages. • Since the concept was new, the number of players joining was small. To counter this, we have set up the account system, in which the players can utilize the Tarnished account to accumulate Tarnished and then use Tarnished to purchase items. • In this game, you can obtain a variety of items including weapons, armor, and magic. Many of these items are rare, and often are a cause of jealousy among players. If you do not wish to receive such envy, you can use your Tarnished to gain such items. • You can simultaneously play together with strangers to form a party that travels through the Lands Between together. You can join a party that consists of up to three players, or form a party with seven players. While playing, a party is formed, and the players you play with directly impact the story and the universe. There are a variety of items in this game, and some have close relations with the game world. Using these items, you can obtain the level of Tarnished needed to obtain a variety of items. • You can use other items purchased with Tarnished, as well as items from the game world. In short, it is important to use items that are difficult to obtain. The Tarnished items that you have can be traded in with other players. You can trade in Tarnished items for items that you want, and use them to purchase items in the game world. ACTIVATION REQUIREMENTS • Operating system: Windows XP SP3 (32bit), Windows 7 SP1/SP2 (32bit/64bit), Windows 8/8.1 (32bit/64bit) or Windows 10 (32bit/64bit) • RAM: 32MB or more • Processor: Intel Core2 Duo @ 2.40GHz or AMD Phenom II X2 534 @ 2.8GHz or better.
