Greetings and welcome to the Elden Ring, a fantasy action RPG which has been expanded into a full-fledged online world. YOU, THE FIRST PERSON TO JOIN THE ELDREN RING, ARE INVITED TO JOIN A NEW WORLD. NOW, LET US SEND YOU OUT INTO A VAST WORLD. Meet the Elden Lords. (Source: - You are a Garuda, one of the heroes of the Elves of the Lands Between, living in the realm of Agnathys. - Elves are of the race of the Child of the Night, "DARK", and the Gods of the Night, "GUARDIAN Gods of the Night", are your gods. - Through your journey, you will build a new world—a world where darkness and light are blended, and where the elves have flourished. - The Lands Between—an ancient and unknown region that lies between the two worlds. - Your basic mission is to recruit a party of heroes, slay the monsters that infest the Lands Between, and unite the two worlds. - Defeat the "Demon King", the main antagonist. THESE ARE THE BEGINNINGS OF THE ELDREN RING. THE WORLD OF THE ELDREN RING: Explore the Lands Between freely, while discovering powerful monsters and solving all kinds of puzzles. You and your fellow adventurers will be guided by the spirit of the Child of the Night, "NIGHT". Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. - Create your own character freely and customise your appearance, but you can also freely combine the weapons, armor, and magic that you equip. - You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. - You can access the global/online player lobby, where you can find friends or strangers. - The game will be expanded in future updates with new enemies and dungeons that you can explore. - Unlock new costumes and accessories that you can customise and equip for your character. - Acquire weapons, items, and magic that can be combined to have the most powerful effects. Elden Ring Features Key:

A vast open world with a variety of different environments

A unique Node/Edge system

A diverse amount of challenges that require strategic planning in order to overcome

Game quests with storylines that take over the player's life

A formula system that allows players to freely level up, learn new skills, and adjust the character's appearance, such as changing their class

A variety of exciting characters with different skins
A variety of powerful characters with unique skills
A standalone action RPG that seamlessly connects with the other NieR games

Features of NieR Replicant: Hollow Fragments:

- Story : The protagonist crashes on a mysterious island. The player explores the island, and unravels the story while killing enemies and defeating bosses.
- Glitch battles : Defeating certain enemies will cause the enemies to drop items, with varying effects. The player can use items to trap enemies and bosses for a Battle Glitch that adds the extra layer to the game.
- Racing boating : The player can use capsules to travel through underwater tunnels to divert them from the flow of the water.
- Heroic battle : Groups of enemies assemble in a manner suggesting a scene from an animation, and battle the hero.
- Gameplay is designed to avoid frustrating the players.

Supported Versions:

- Windows

**The Crew ●Harriet Sieberk, Dungeon Designer at Sucker Punch
●Danny Akers, Co-designer at Sucker Punch ●Larry Holland,
Lead Producer at Sucker Punch**

From Monster Hunter FrontierGUN to The Tales of Zestiria, the development of this project began during Monster Hunter Frontier, GUN. It was also the development team behind the Tales of Zestiria project. Because of this, we decided to create a game that not only creates a visual and narrative world for gunfights. This project serves as a true revival of the Japanese developer Sucker Punch, who made wonderful titles such as Infamous and Sly Cooper!
