Story of the world:

The world of Astragon is in a state of flux, and the countries of the Lands Between are changing due to various calamities. Recently, a powerful darkness known as *The Lamia* has appeared. For the relief of the entire world, a group of adventurers participated in a battle against the Lamia in the Lands Between. However, the moment the heroes collided with the light of their blades, they were swallowed by a horrible space-time rift. In the depths of the rift, they found themselves in a world with multiple realities in which they eventually lost all their memory due to the ravages of time and dangers.

If they were to return to their own world, the heroes might be sent to an unknown future. Thus, they decide to start anew and create a brand new world from the sands of time in which their memories have dissipated.

Special boss monster:

The Lamia (Space World)

The main enemy of the game. A space version of the Lamia that we all know. But with your newly developed wieldings of the Elden Ring and the power of Utility Magic...
