HADINON is developing the new fantasy action RPG "The Elden Ring Full Crack -A Vane-". The pre-orders will come with in-game items as follows. \- Wrapped in the Myth of the Elden Ring \- The Royal Secrets of The Elden Ring #Technology #Vane #RPG I've done it, it's time for my next book - G.I. Joe - Epic Collection II: Code of Honor and Code of Silence coming to a store near you on Oct 1st (Or you can just pre-order it on Steam, because the G.I. Joe books are all a bit similar.) Anyway, this isn't really a book I'd recommend to those on mobile devices (like phones, etc). It's more like a giant, cherry-picked, book-sized, Joes hitting the streets that's more suited to PCs / consoles / etc. So make sure you pre-order your copy at DriveThruRPG.com if you've been wanting to read about what happens when you mix and match Snake Eyes, Duke, Storm Shadow, Scarlett, Ripcord, etc. If you just can't wait until the 30th to order it, you can get it digitally here on Oct 7th. And also make sure you let me know what you think in a review! October 1st will be when the US version of the Collector's Edition comes out. :D I also have a US version lined up, but the actual physical thing I'll be getting won't be till October 4th. And to celebrate I'm going to release two of my new 'No Quarter' stories! So start reading at 8:00 AM Pacific on October 1st when the US version of the 'Code of Honor' material comes out. And I'll have all of that for free, because you want it. Judo, and your journey to the SDCC. I'll update again later. #Japan #SDCC #HALFORD #JUDO Well, yesterday was the start of
