pm. Hi. It's been a while since I
re posted something, so I don't
expect that anyone will check
this one. My name is Randy
and I am the editor of a local
public access station in Boise. I

would love to interview Mr. Hine, if he's ever interested. In the meantime, here is the Web site I've been working on:
<http://www.rtbphilippine.com>
I'd be happy to give you a password. I'm sure all of you are looking forward to his new book, so this would make a good complement to his CV of solo guitar pieces. Free

downloadable single songs
using the CDs on the site is a
collection of a few of his
greatest compositions. The
work on the CD are listed on
the works tab above.
